Re: MA D.T.E. 02-8

Dear Secretary Cottrell:

Enclosed for filing, please find a corrected version of AT&T's response to Verizon's information request No. 1-15. This version corrects an inadvertent typographical error that omitted a single line in the response.

Please date stamp the enclosed copy of this letter and return it to the waiting messenger. Thank you for your attention to this matter.

Sincerely,

John T. Bennett
